Cushioned Mailers

## **Twice The Cushioning, Twice The Protection of Traditional Cushioned Mailers**

# TuffGard Extreme™ Cushioned Mailers

Replace Corrugated Cartons With A Faster, Easier, Cost-Saving Solution

## When A Standard Cushioned Mailer Isn't Enough And A Traditional Carton Is Excessive

Combining the protection of our original 5/16" thick Bubble Wrap® brand cushioning and strong coextruded film, TuffGard Extreme™ mailers are designed for your most demanding mailing applications.

Utilizing Sealed Air's patented Barrier Bubble® technology and our puncture, tear and moisture-resistant multi-layer film, TuffGard Extreme™ mailers provide a safe, attractive, economic alternative to cartons.

## Fast, Easy Loading Saves Labor

Simply insert and seal. TuffGard Extreme™ mailers require fewer packing steps and eliminate the need for dunnage and carton setup.

## Typical Applications Include

- Video Games
- Cell Phones
- Jewelry
- Cosmetics
- Electronic Components
- DVDs
- Frames
- Sporting Goods
- Toiletries
- Books and Plaques

## Print Your Choice Of Colors

One, two or multi-color printing in up to eight colors (PMS and process) is available.

## Twice The Protection Twice The Cushioning

Now, with the extra cushioning protection of TuffGard Extreme™ mailers, you eliminate the need for additional internal packaging material.

*We take our 5/16" Bubble Wrap® brand air cellular material and adhere it to a strong coextruded film. This fully laminated construction increases bursting strength and overall package integrity.*

- **Save on Postage** – lightweight mailers weigh less than cartons
- **Save Time and Labor** – two-step packaging process vs. six steps for cartons
- **Reduce Material Costs** – eliminates internal packaging material and tape
- **Improve Productivity** – package more in less time
- **Reduce Inventory** – a few mailer sizes accommodate many different products
- **Increase Security** – strong self-seal closure produces a highly tamper-resistant seal
- **Increase Customer Satisfaction** – no damage, no mess or lost items
- **Attractive Appearance** – fine texture surface is excellent for custom printing, is easy to write on and accepts gummed labels
